

# CDM132

## Cable reel Ø 240x120 mm

The CDM132 is a high-quality cable reel, featuring a steel tubular frame with a solid and strong drum constructed of high-quality and impact resistant materials. The drum dimensions of Ø 240 mm x 120 mm offers a capacity up to 90 meters of standard microphone (~ Ø 6.5 mm) and up to 46 meters of speaker cable (~ Ø 9.0 mm).

Other present features such as the ergonomic grip, front flange with practical cable holder and blocking brake, makes it a practical tool for carrying any cable to any event or production!
